Coffee since 1954

The European experience of SANTOS on its local espresso market is the warranty of the best results in terms of quality of grinding. Since 1954, we manufacture our own grinding disks for better results.

"Silence" grinders range characteristics:

- Constant and fine grinding
- Constant portion dispensed
- Large hopper (2.2kg)
- Easy to adjust (grinding and dosing)
- No "burn coffee" effect while grinding
- Easy to maintain (changing the grinding disks is very easy)
- A commercial reliable tool (aluminium casting and asynchronous motor)
- Santos is the leader in silent coffee grinders, for 10 years now

Modularity for easy maintenance
